

Objective

Artistic, creative, organized people-oriented designer. Skilled in illustration, motion graphics & web design.

Experience

Reel FX 12/2007 - Present

Render Wrangler

Monitor and watch the status of animation renders as they are coming out of the network. Checking problems and try to parse through logs to discern why renders are failing or dropping frames & address issues with Technical Directors.

Vertis Inc / The Creative Group 9/2007 - 10/2007

Production Artist

Created and tweaked customer files for print production output and automation for mass scale printing.

JoAnn 7/2007 - 9/2007

Custom Framer

Helped customers with design and creation of custom framing options for their artwork and photography. Ordered materials for each job and put custom frames together. Maintained a good clean work environment.

Jobe's Printing 11/2006 - 5/2007

Graphic Designer/Pre-Press Production Assistant

Take customer graphics and documentation and prepped for printing, using various large and small scale printers. Created client logos and mail collateral, designed and laid out pages for advertisement and school program book.

Chalk Mountain Lodge 5/2006 - Present

Web Designer

Redesigned the Chalk Mountain Mason Lodge's website. Maintenance, including regular updates for changing events and pages highlighting various activities, keeps information up to date with the Lodge's monthly meetings.
